Nomination Letters

Please attach the letters supporting nomination below.

Nominators must attach a nomination letter that identifies the nominee's role in promoting intellectual freedom, along with a minimum of two additional letters of support that further illuminate the nominee's visible efforts on behalf of intellectual freedom. Supporting documentation, such as references to published articles by or about the nominee; workshops or speeches by the nominee relating to intellectual freedom, and other tangible evidence of the nominee's work are especially welcome.

Nomination letters must include nominee and nominator contact information (name, organization name, address, phone, email address)

The online form has space to upload letters of support and supporting documentation as attachments.
