

TAKE THE LIARS CLUB CHALLENGE

The Burlington Liars Club is issuing a challenge to everyone to submit their most outrageous fabrications to our annual contest. We are seeking original distortions that will bring a smile.

The Burlington Liars Club, which began in 1929, has been running this contest annually and it has gained world-wide attention. You do not want to miss your chance to be an even bigger fibber than 2024 winner Jerry Worzella of Wisconsin Rapids, WI who wrote “My doctor says that it is perfectly normal to toss and turn in your sleep. It’s called sleeping in the futile position.”

The deadline to submit an entry is mid-December. Any lies received after that time will be entered in next year’s competition. You can send your tall tale to: Burlington Liars’ Club, P.O. Box 156, Burlington, WI 53105 or send an email to: championlies@gmail.com along with your name, address and your entry so we can contact you when you win. Check out our website at burlingtonliarsclub.com for past winners.
