

**WLA Technical Services Section
November 9, 2022
11AM**

Meeting recording: <https://youtu.be/tNB97tH3tU4>

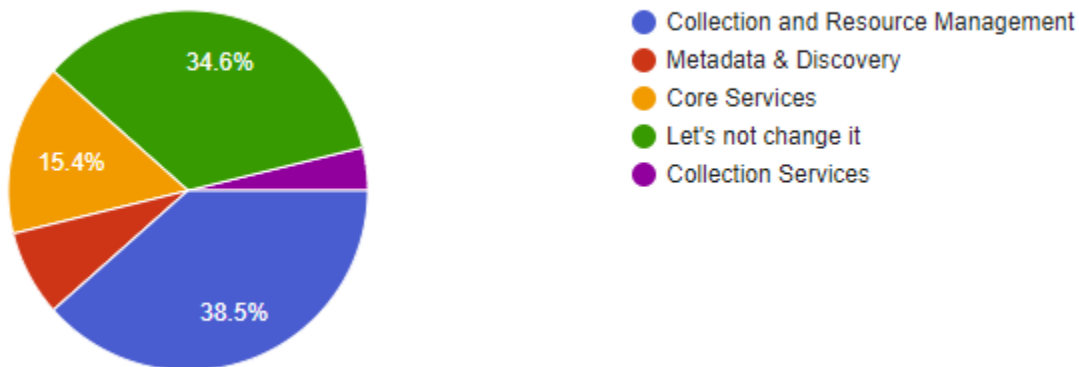

Follow ups:

Virtual Tours - 2 virtual tours have been submitted. How is this being received? Are folks interested in continuing this project? Would Nic be willing to give a virtual tour of the Resources Workbook?

Desktop screen sharing of what tools you use to do your job. Jackee will send links to WLA to be added to website.

Renaming the Section Survey

Last results were:

Is it worth having one more vote to eliminate Core Services and leave the choices as Collection and Resource Management or Don't change it as the only two options?

WLA Panel Discussion - How did it go? Is this something we should continue to do? Instead of the WLA Conference, should we focus more on active communication? Listservs? Slack channels? Shorter learning opportunities? A virtual half day conference?

Conference issues include:

- Cost
- Time Away
- Little TSS Representation
- Impact on the climate for travel
- Equity/Diversity
- Targeted tracks for conferences
