## SPONSORSHIP OPPORTUNITIES

The 2026 WAPL Conference will take place April 27-29 at The Osthoff Resort in Elkhart Lake, Wisconsin.

Hosted by the Wisconsin Association of Public Libraries (WAPL), a division of the Wisconsin Library Association, this annual conference offers your organization several opportunities for sponsorships and advertising to share your message, your products, and your support for Wisconsin's public library community.

This year's conference theme is "Library as Test Kitchen." Our goals are as follows:

- Positioning Wisconsin's public libraries as leaders in the field by showcasing innovative services and programs that can be scaled to libraries of all sizes.
- Using creativity and persistence to fuel positive momentum for ourselves, our staff, our services, and our communities.
- Identifying ways to overcome the many different challenges faced by public libraries.

In addition to a well-rounded slate of engaging breakout sessions, we are welcoming several phenomenal keynote speakers.

We anticipate 200 attendees representing a mix of decision-makers including directors, assistant directors, librarians, and library staff working across a wide range of areas including programming, youth services, outreach, reference, and more. Your support for this conference at any level will receive the attention of library professionals and a direct link to those with purchasing power.
