2024 WISCONSIN LIBRARY ASSOCIATION ANNUAL CONFERENCE

November 5-8

Hyatt Regency/KI Center
Green Bay, WI

"The Pursuit of Excellence"
We hope you’ll join us for the 2024 Wisconsin Library Association (WLA) Annual Conference at the iconic Hyatt Regency KI Convention Center in Green Bay, Wisconsin, November 5 - 8, 2024.

The WLA Annual Conference offers your organization several opportunities to share your message, your products, and your support for Wisconsin’s library community. This year’s theme, “All In - Include and Innovate” celebrates the strength, unity, and diversity of library workers and their communities.

We anticipate 600 - 800 attendees who represent a mix of decision makers including directors, assistant directors, librarians, and library staff working across academic, public and special libraries in programming, youth services, outreach, reference, and more.

Speakers and attendees will come together to share big ideas and learn from each other through interactive breakout sessions and special events. Your participation will receive the attention of library professionals and a direct link to those with purchasing power!

This prospectus includes details on the many ways for you to participate in this conference as an exhibitor, sponsor, and/or advertiser. We know you make a significant investment to support this event, and we’re pleased to offer you both new and expanded benefits to increase exhibit booth traffic, optimize visibility for sponsors and advertisers, interact with attendees, and maximize your ROI!

Don’t see the opportunity you’re looking for? Contact WLA Executive Director Laura Sauser at sauser@wisconsinlibraries.org to discuss additional options.

Stay connected and show your support for Wisconsin libraries with an Institutional membership in WLA! Call (608) 245-3640 or visit www.wisconsinlibraries.org for more information.
